

Thank you for Registering for Dr. Schutzki's ^{H-Day} Plant Academy

Thursday, August 3, 2017

Schedule:

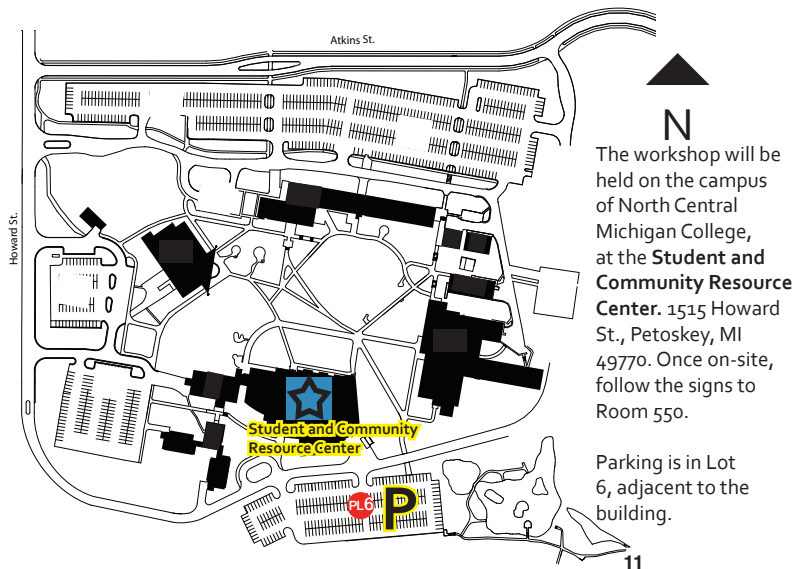

8:30 am	Registration
9:00 am	Academy Begins
12:00 pm (ish)	Lunch (provided)
3:30 pm	Academy Adjourns

This class has been approved for **6 MDARD Pesticide Recertification Credits in Core (Priv. & Comm.), 3A, 3B or 6**. Please remember to bring your MDARD issued Pesticide Certification Card with your Certification Number in order to receive the Recertification Credits.

This class includes indoor classroom and outdoor application. **Please dress accordingly for whatever the weather may be.**

To make the most of this workshop, please bring the following tools:

- Hand Pruners & Loppers
- Camera
- Clipboard/Notebook

The workshop will be held on the campus of North Central Michigan College, at the **Student and Community Resource Center**. 1515 Howard St., Petoskey, MI 49770. Once on-site, follow the signs to Room 550.

Parking is in Lot 6, adjacent to the building.

If you have any questions or need more information, please do not hesitate to call Emily Huening at (517) 381-0437. **Please share schedule and location information with everyone who has signed up to attend.**
