Good Afternoon MNLA Retail Garden Center, Grower, and Greenhouse Members:

MNLA has teamed up with the MI Farm Bureau and are asking our members and agriculture supporters to send messages to Governor Whitmer asking her to declare the retail sale of flowering plants, vegetable plants and nursery stock as essential infrastructure. Act NOW by clicking [HERE](#) to fill in your information and sending your message to our Governor!

I can be reached at amy@mnla.org should you have any questions.

Working together we will get through this.

Please be safe.
