Who is MNLA?

The Michigan Nursery and Landscape Association (MNLA), established in 1922, is the largest and oldest statewide Green Industry trade association.

MNLA Represents: A wide range of Michigan Green Industry businesses with 55% of our Michigan Business Members that have gross sales of \$299,999 or less.

Impact of Michigan's Green Industry

The economic impact of Michigan's nursery, perennial plant production, Christmas tree, sod producers, landscaping and lawn care industries is **\$5.715 Billion**. The nursery and perennial plant producers are the fourth largest agriculture commodity group in Michigan and the third largest nursery industry in the nation.

Our Mission:

United to advocate professionalism, integrity and growth for Michigan's Green Industry.

MNLA Members Receive:

Why MNLA?

Because being a member saves YOU money!

Education and Events are discounted up to 33%.

- The Great Lakes Trade Exposition (GLTE) brings together unprecedented educational programming and certification opportunities for all segments of the Green Industry, as well as the largest Green Industry trade show in the state.
- The Snow & Ice Summit provides education and networking with trade show booths of industry products, equipment and services.
- Stand alone educational programs are offered throughout the year and cover relevant information for all industry segments.

MNLA Members receive a 50% discount on Certified Green Industry Professional (CGIP) study manuals and exams!

The Certification Program promotes professionalism and identifies dedicated individuals who are knowledgeable and experienced in the Green Industry.

MNLA Marketing & Promotion provides additional exposure for your company!

Plant Michigan GreenSM - MNLA has the only statewide consumer marketing campaign to promote our Green Industry members and their products and services. Members are promoted through our websites, media outlets, Home & Garden Shows, and legislative events.

MNLA is Recognized as THE Authority on Legislative and Regulatory Issues!

MNLA is THE Green Industry resource on legislative issues and regulatory compliance that impact your bottom line. There is strength in numbers so join now and add to the growing voice of the Green Industry.

Employers Advantage Health Insurance.

Self-Funded Group Medical Program available for groups of 2 or more eligible employees. Excellent solution for small to mid size employers trying to reduce the cost of group health coverage while maintaining an attractive option for their employees.

MHI Fund distributes over \$4.8 Million!

The Michigan Horticulture Industries Self-Insured Workers' Compensation Fund is owned by the members, not by an insurance company. Members of the Fund receive profit returns averaging 45% of the premium with over \$35 Million in profits returned since the inception of the Fund!

Gallagher saves MNLA Members on Business Insurance.

MNLA Members receive savings up to 35% on business insurance through our preferred MNLA endorsed program! Gallagher has designed a unique program package just for the horticulture industry. Visit franinsurance.com/MNLA for details.

Save on your Credit Card Processing.

Members receive discounted pricing on credit card transactions through Michigan Retailers Association.

Up to 30% discounts on publications!

MNLA's Effective Landscaping Booklets are catalogs of plants recommended for Michigan landscapes and regions in similar USDA Cold Hardiness Zones. They showcase beautiful plant photos and plant species/cultivar descriptions. These Booklets are valuable resources for landscape designers, managers and consumers.

These are just examples of the many savings that are ONLY available to MNLA Members.
