

I belong and want to get Involved – *For the Greener Good!*

Getting involved is as easy as 1-2-3:

1. Scan the QR code with the camera on your phone of the area you are interested in.
2. Send the pre-populated Text.
3. Follow the prompt you receive.

OR, Text the Keyword you are interested in to (517) 200-4177

Keyword: **Greenergood**

Scan this code to get signed up to tell your story For the Greener Good! We'll utilize your story of your career in our great, Green Industry to help promote the Green Industry to the general public as a viable industry, an attractive career path, and for the environmental benefits our industry provides.

Keyword: **Futuregreen**

Scan this code to get involved in our Youth in-the-Green-Industry Initiatives that MNLA is working on for the future of the industry! These initiatives include the High School Horticulture Olympics, MI Career Quest, Science Olympiads, and the "Kids in the Garden" Program.

Keyword: **Traingreen**

Scan this code to get involved in our Apprenticeship Programs! We are ready to take enrollments in our Landscape Management Technician and Nursery Technician Programs! Let us know which one (or both) you are interested in and we will provide the information you need to get signed up!

Keyword: **Community**

Scan this code to get involved in one of our Segment Communities! These are groups of like-minded individuals collaborating to improve the relevancy and professionalism of their segment within the Green Industry. Join a networking group today that focuses on your specific needs and opportunities! Choose from: Grower, Landscape Design/Build, Landscape Management/Snowplowing, Retail, Irrigation, and/or Supplier.

Keyword: **Joingreen**

Scan this code to join MNLA – your statewide Association that works tirelessly to protect your interests and provide opportunities to increase the knowledge and professionalism of you and your team. Already a member but know of a firm that isn't yet? Scan this code to refer this firm for membership in MNLA!
